

FiL Series - Extra-Length Impulse Sealer for Large Size Packaging

Discontinued model. The latest model is "LOS Series ", Maintenance parts for FiL Series are available for service. Compatible Bag Sizes (max.) 600mm (23.6")= FiL-600 800mm(31.4")= FiL-800 1000mm(39.3")= FiL-1000 1200mm(47.2")= FiL-1200 Note: "FiL Series" has been discontinued and is incoming order production item. "LOS Series" is the latest model. Easy Operation FiL series is an electric/air-cylinder operated extra-length sealer with an easy foot-switch operation. After adjusting the heating and cooling time according to the thickness and kinds of packaging materials, set the pouch to the sealing area. Depress the foot-switch to start sealing operation. After the set time, the upper sealing lever automatically returns to the initial position. Adjustable head height The height of the head of the sealer can be adjusted to suit the package content by operating the switch on the center of the machine. When the bag is set vertically to the head: 800 to 1370mm (31.5 to 53.9 inches) When the bag is set horizontally to the head: 1020 to 1590mm (31.5 to 53.9 inches) Installing 2 line-printing device: Manufacturer option At the time of ordering, the user can choose to have the exterior 2-line printing device FEP-A installed as a manufacturer option. (It cannot be installed after the purchase.) This allows the printing of texts and product dates. FEP-A is a hot-print-type printer that utilizes heated types to print carbon. Safety Measures: Equipped with emergency stop switch In an emergency, press the Emergency Stop Switch to turn off the breaker and shut off the power. This will return the lever to its initial position Other voltages available on request Compatible air compressor needs to be prepared 75KW 75L/min 490kpa or greater

Model	Voltage	Power Consumption	Sealing Dimensions - W X L	Machine Dimensions - W X D X H	Weight	Voltage	Power Consumption	Sealing Dimensions - W X L
FiL-600	220 V	2500 W	10 x 600 mm (0.39" x 23.6")	764 x 855 x 1720 mm (30.1" x 33.7" x 67.7")	135 kg (298 Lbs)
